

Everlasting

**Am7****Gmaj7**

From everlasting Thou wert alone,

C**D**

with none to equal Thee, and wilt unto

Am7**Gmaj7****C**

everlasting remain far above all thought

D

and every description of Thee.

Cadd9**G**

Have mercy, then, upon Thy servants

C**D**

by Thy grace and bounty, by Thy grace and bounty,

Cadd9**G**

and suffer them not to be kept back

Am7**Gmaj7****C**

from the shores of the ocean of Thy nearness.

Am7**Gmaj7****C****D**

from the shores of the ocean of Thy nearness.

Am7**Gmaj7**

If Thou abandonest them, who is there to befriend them;

C**D**

and if Thou putttest them far from Thee,

Am7**Gmaj7****C**

who is he that can favor them?

D

and suffer them not to be kept back

Am7**Gmaj7****C**

from the shores of the ocean of Thy nearness.
