

## Help Me to Triumph

The chords used here fit to the Studio Sessions rendition of this song. But you can also transpose them one step up to Am C G Am.

**Abm          B          Gb          Abm**  
Help me to triumph by the hosts

**Abm B      Gb          Abm**  
of Thy glorious kingdom,

**Abm      B                  Gb      Abm**  
and shower upon me Thy confirmations,

**Abm          B                  Gb          Abm**  
which alone can change a gnat into an eagle,

**Abm      B          Gb          Abm**  
a drop of water into rivers and seas,

**Abm B      Gb                  Abm**  
an atom into lights and suns,

**Abm B      Gb                  Abm**  
an atom into lights and suns
