

## Immensity of Space

**Am      Fmaj7**  
 Wert thou to speed through

**G                  E7**  
 the immensity of space

**Am   Fmaj7   G                  E7**  
 and traverse the expanse of heaven,

**F                  G**  
 yet thou wouldst find no rest

**Am**  
 save in submission to Our command

**Fmaj7                  E7**  
 and humbleness

**Am**  
 before Our Face.
