Love your fellow man

**C**                    **F**  
Love, love, love is

**D7**    **G**  
How the world began

**C**    **F**  
God loved creation

**C**                    **G**  
So He created thee to

**C**                    **F**  
Love, love, love Him

**G**    **C**  
And humanity

**C**                    **F**  
Love, love, love the

**G**    **C**  
Everlasting good

**C**                    **F**  
Love, love, love the

**D7**    **G**  
Seed of brotherhood

**C**                    **F**  
Love all creation

**C**                    **G**  
For He created thee to

**C**                    **F**  
Love, love, love Him

**G**                    **C**  
And humanity

**C**                    **F**  
Love God's creatures

**G**                    **C**  
Be they near or far

**C**                    **F**  
See each human

**D7**                  **G**  
As a shining star

**C**                    **F**  
Love all creation

**C**                    **G**  
For He created thee to

**C**                    **F**  
Love, love, love Him

**G**                    **C**  
And humanity
