

# Náw-Ruz Song

**C C/B Am**  
Grass under my feet

**C C/B Am**  
Still wet from the rain last night

**F C C/B Am**  
But now the sun's shining bright

**F C C/B Am**  
Wet drops sparkling in its light

**C C/B Am**  
| |: Oh doesn't it feel like a new day :| |

**C C/B Am**  
| |: It is my hope that ye will all take flight;

**C C/B Am**  
that your spirits, your hearts, and your minds will soar :| |

**F C**  
A hopeful beginning

**C/B Am**  
A fresh start

**F C**  
Another year of learning

**C/B Am**  
Another year filled with art

**F C C/B Am**  
The smell of flowers reaching my nose

**F C C/B em Am**  
The love of Baha'u'llah flows

Happiness, dancing, laughter all around

**F C C/B Am**  
Can't help but enjoy the sound
