

We Are Flowers of One Garden

A **E** **A**
We are flowers of one garden

D **A** **E**
colourful and fragrant, tiny, big and small

A
beautiful is the harmony amongst us all

D **A** **E** **E**
we are the children of this world

A **E** **A**
Siamo i fiori di un giardino,

D **A** **E**
chiari come l'alba, freschi come aurora

A
belli e differenti, vari nella beltà,

D **A** **E** **A**
noi siamo i fiori dell'umanità

A **E** **A**
Wir sind Blumen eines Gartens

D **A** **E**
sehnen uns nach Sonne, wiegen uns im Wind

A
möchten euch gerne zeigen, was wir wirklich sind

D **A** **E** **A**
wir sind die Kinder dieser einen Welt
