Capo: V

**C** **G**  
Ye are the flowers of one garden and the fruits of one tree  
**Am** **F**  
the leaves of one branch and the waves of one sea  
**C** **G**  
and when we get together in harmony  
**Am** **F**  
we sing for the oneness of humanity  
**C** **G**  
Waves of oneness, waves of oneness  
**Am** **F**  
Waves of oneness, waves of oneness
